Overview of the Our Programme

Entry and duration

Our High School program consists of eleven years of study (Grade 1 - Grade 11). Admission to our school is based on the fact of the place of birth and our education is available to every child.

Structure and Content

The Secondary School program consists, depending on the class, on average consists of 15 compulsory subjects.

Assessment, Grading, and Certification

Subjects assessed externally include German, Mathematics, Biology, Physics, Chemistry, History of Uzbekistan, Geography, IT and Informatics, Uzbek/Russian language and literature.

As with the GCE AS and A Level, assessment is primarily via written examination on completion of the program.

Methodology:

Grading and Ranking IHT GradingSystem	Minimum Point Requirements*	Uzbekistan General School Grading System (min = 2, max =5)
A – Excellent	86/100	5
B – Good	71/100	4
C – Average	56/100	3
D – Poor	24/100	2
F – Failing	Less than 24	2

*- Scores for assessments for intermediate control and final control are put in accordance with the European Credit Transfer System.

The school rank of students is determined in accordance with the final grades, student performance statistics, as well as involvement in the study of external subjects.

Grade Point Average (GPA) Calculation

GPA is computed using the above quality points. All subjects are included in the computation. By the end of the school year, an arithmetic average for points (middle column) of all terms of each subject is calculated to produce a final grade for the subject. GPA for all subjects is established by calculating an arithmetic average for Uzbekistan General School Grading System (right column) grades and rounded to one decimal place (Example, 4.8 out of 5).

Graduates

The class of 2023 was 21 graduates.
